### Thanks for:

Thank you for your prayers and sorry this RPD is late.

My next one will also be late as I am away on camp next week doing studies.

### Request:

If anyone taped the game between NZ and South Africa, I'd love the chance to watch it (just a selfish little request).

### Next week:

We had a great time with the team here from USA but that will have to wait. I'll get to answering emails when I can.

### Love to you all

## Praise the Lord!

**We had six baptisms on Sunday morning down in the river.**

Valera is a baby Christian with a history of alcohol problems. He is excited about what Jesus had done in his life and wants to live his life as a free man in Christ. Please pray for him in the days ahead that he will not give into temptation but will allow Jesus to make him truly free in all areas of his life.

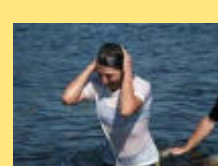

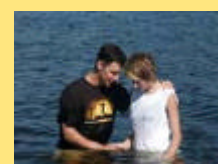

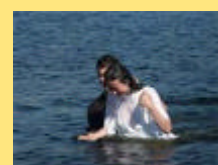

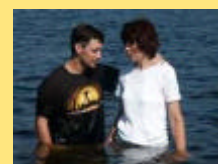

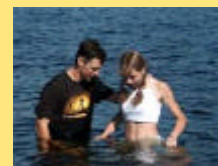

Natasha has been a Christian for a couple of years now and has a deep desire to grow in Christ and use her gifts to serve Him. She is a wonderful leader in the kids ministry and shows a genuine love for other people.

Natasha's Mum, Luda was also baptised. Her son drowned a year ago and she attested to the fact that it is God in her life that brings stability and security. She works shift work and it is often difficult for her to come to church. Please pray for her growth in Him also.

Tanya has also been a Christian for a few years and her faith is very important to her. She is very strong in standing up for what she believes in. Her family life is difficult. Her mum said she would not come to her baptism because she doesn't believe in what Tanya is doing. Obviously this is an emotionally difficult thing for Tanya. Please pray for her as she finds all she ever needs in her Saviour, Jesus Christ.

Svyeta is also a disciple of Jesus Christ with a beautiful servant's heart and a desire to grow more and more like Jesus. She has just graduated from Technicum and is seeking God's direction in her life; should she further her studies or look for a job. This is a hard decision as it will affect where she lives and fellowships with other Christians.

Luda is one of the sportiest, competitive girls you could meet. But she has given the competition for her soul to Jesus and she has a strong desire to follow Him. She is learning more and more each day what it means to be a living sacrifice for Him. Pray for her as she develops leadership qualities that she will walk in the steps of her leader, Jesus.

## Please Pray! Please Pray! Please Pray!

Meet Larissa.

Larissa also desired to be baptised but is afraid that if she does her father will stop her from coming to church. At present her father allows her to come on Friday nights because there are games but is not happy about her attending Sunday nights. Larissa has also shared that her sister and brother-in-law are having difficulties in their marriage. She wants to tell them about the peace in her heart but is scared of ridicule and rejection. This is difficult when a young person has no support but in fact antagonism from her own family.

Please pray for a break through in her family. Oh how her whole family needs to be touched by the grace of God. Our God is The God of miracles. Pray for one to be worked in this situation.
