I'm sorry if emails have been too many or too few while I have been ironing out my re-vamped computer system and new website. Thanks to my brother Tim for the many hours he has put in for me..

Cricket & Tennis

Well the cricket and the tennis are both in full swing, so with the last of the summer BBQs and all that sport to watch I will keep this short.

I have appreciated your prayers and interest in what God is doing in Ukraine. I regularly am asked, "So how is the Ukraine?" I'm sure it's a trick question. No one wants to sit down and look at 500 photos and listen to me talk for 3 hours. But it's also really hard to give a snapshot that I feel gives someone a genuine feel for what I have experienced last year.

All the same, I have enjoyed catching up with a few friends in Brisbane. I am now in Eureka as I write this, and head down to Sydney this week before going to NZ. I will be attending Sports Camp at Teapot Valley Christian Camp, my very first experience with camping was there.

I was able to meet up with the team in the AMT office in Brisbane, the mission organisation that supports missionaries from my church.

I have heard very little from Ukraine in the last week.

Please continue to pray for the busy travel schedule I have in NZ. I know that with lack of routine, having a regular quiet time is something that I have trouble being disciplined with.
